

Are you a disabled or d/Deaf resident of Camden?

Have you faced barriers or bad treatment when trying to get a job or keep a job?

If the answers are 'yes' then you may be interested in coming along to some talks about employment for Disabled people.

We will use these conversations to help us design a new employment service for Disabled people.

You can join this training if you:

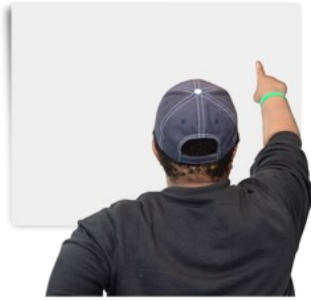

- are blind or partially sighted.
- are d/Deaf
- have a physical disability
- have a long term health condition
- have a learning disability
- have autism
- have a mental health conditions

If you have other conditions or differences you can also join us.

Whatever your condition or difference, we will provide you with the support you need to be part of this work.

You can join as many of these talks as you like. You do not need to attend all of them.

The meetings will be on zoom.
